OH/KY ANNUAL MEETING 2020

OHIO AND KENTUCKY SOCIETIES OF INTERVENTIONAL PAIN PHYSICIANS
AUGUST 21-23 | THE WESTIN | CINCINNATI

DEAR COLLEAGUE

We would like to take this opportunity to invite you to participate in the Fourth Annual Meeting of the Ohio and Kentucky Societies of Interventional Pain Physicians (OHSIPP/KYSIPP) to be held in Cincinnati August 21-23, 2020.

OHSIPP/KYSIPP has been in existence for over 10 years and this meeting will invite participation from all six academic pain fellowship programs in Ohio plus academic and private practice physicians from across the U.S. The annual meeting has a history of fostering a collegial environment where all of the academic pain fellowships can interact and share ideas with other academic and private physicians.

Industry Partners and technical exhibits are an important part of our meeting's success and benefit both the attendees and the companies who choose to participate. We anticipate in excess of 150 clinical providers specializing in pain management, interventional pain management and neurosurgery to attend, including: physicians, mid-level practitioners, nurses and pharmacists.

With a full agenda covering 2.5 days, there will be plenty of face time opportunities with potential clients. Industry Partners who sponsor at the highest levels will have opportunities to present their information in front of larger crowds during breakfast, lunch or dinner symposia opportunities.

We are anticipating a full exhibit hall and space will be limited. To ensure your chances of securing exhibit space and support opportunities, please review the enclosed prospectus materials carefully and complete the exhibitor application as early as possible.

We look forward to receiving your commitment and working together at the 2020 OHSIPP/KYSIPP Pain Medicine Symposium.

The Planning Committee has contracted and guaranteed room blocks with the Westin Cincinnati. Hotel reservations are guaranteed on a first come, first served basis. Rooms have been blocked at a discounted rate. OHSIPP/KYSIPP does NOT contract with a travel agent for hotel accommodations. For this reason, all reservations will be coordinated through the OHSIPP/KYSIPP room block and booked directly with the hotel. Reservations MUST be made through our room block to qualify for the room rate discount.

Upgraded rooms are available upon request and pricing will vary depending upon request.

EXPECTED ATTENDANCE

We hope to highlight and draw on the vast experience of the academic pain physicians already in Ohio and Kentucky. This meeting will bring together 150 pain physicians from the surrounding states. We also will include fellows and residents and expect to be able to draw significant interest from the medical trainees in nearby medical schools such as University of Cincinnati, Ohio State University, Wright State University, Indiana University and University of Kentucky. We hope to facilitate training and networking for the fellows to meet with actively practicing physicians.

OUR EDUCATIONAL PROGRAM

Planned topics include business lectures, epidural steroids, spinal cord stimulation, regenerative medicine, sacroiliac pain algorithms, parallel sessions for mid-level practitioners, reimbursement issues, neuromodulation, the latest opioid prescribing guidelines, and Ohio and Kentucky state legislative issues.
