

IMAGING, FLUOROSCOPY AND RADIATION SAFETY

AND COMPETENCY EXAMINATION
14.75 AMA PRA CATEGORY 1 CREDITS™

Welcome to Memphis, Tennessee...a vibrant city that's home to some of the world's most melodious music, tastiest food, authentic culture and you-can't-find-it-anywhere-else fun. The **ASIPP Cadaver Workshop** will be held at **The Medical Education & Research Institute**, a nonprofit medical teaching and training facility. The **MERI** conducts state-of-the-art, hands-on educational courses for physicians from across the country and around the world. At the **MERI**, medical professionals are introduced to the latest innovations in medicine, and have the opportunity to learn first-hand about the most up-to-date medical techniques and technologies. Accommodations and Review Courses will be at **The Hilton Memphis** hotel located in the heart of the East Memphis business district and a short drive from Beale Street, FedEx Forum, Elvis Presley's Graceland, the Memphis Zoo, Liberty Bowl, Memphis International Airport (MEM), The University of Memphis, The University of Tennessee at Memphis, the Civil Rights Museum, the Lorraine Hotel, and downtown Memphis, Tennessee. Whether you are on a vacation, with a group or meeting, or on an individual business trip, this Hilton hotel in Memphis, TN has something for everyone, including meeting rooms and public space. Guests will enjoy the superbly furnished residential rooms. The Hilton Memphis, Tennessee hotel features breathtaking views of the Memphis, TN skyline in every room because of our floor to ceiling windows.

IMAGING, FLUOROSCOPY AND RADIATION SAFETY

AND COMPETENCY EXAMINATION

APRIL 13-15, 2012 | MEMPHIS, TENNESSEE

MESSAGE FROM ASIPP CHAIRMAN

On behalf of the Board of the American Society of Interventional Pain Physicians, it is my pleasure to invite you to attend the Comprehensive Fluoroscopy and Radiation Safety Interventional Pain Management Review Course on April 13-14. The ABIPP Competency Certification examination in Fluoroscopic Interpretation and Radiation Safety will be administered at the conclusion of the course, on Sunday, April 15.

We have revised our program to meet the continuing needs of interventionalists, based on member input and a needs assessment. This course provides educational information on fluoroscopy radiation risks and methods to reduce these risks to both patient and personnel, fluoroscopic interpretation, appropriate needle placement, medical and legal compliance, and billing and coding. Participants will benefit from the course by improving existing skills, learning new skills, or prepare for the inter-ventional techniques certification examination, or prepare for the board examination.

This course is an essential component for interventional pain physicians and provides educational opportunities to assist you in providing high quality, competent, safe, accessible, and cost-efficient services to your patients. The accompanying examination (open to physicians only) and this course, as with all ASIPP courses, focuses on doing the right things, the right way, and for the right reasons.

Whether you have been practicing interventional pain management for many years or are new to the field with basic skills, we are confident you will find this fluoroscopy review course and beneficial, as it is essential to learn new and relevant information to survive in the new millennium. Our faculty consists of many experts in the field of fluoroscopy and interventional techniques. We hope you will take advantage of this exceptional opportunity for professional enhancement.

The seminar will take place at the Hilton Memphis in Memphis, TN. We look forward to seeing you in Memphis. If you have any questions, please feel free to contact me at 2831 Lone Oak Road, Paducah, KY 42003, phone: 270-554-8373 ext. 101, fax: 270-554-8987, or e-mail: drm@asipp.org

Thank you,

Laxmaiah Manchikanti, MD

DESCRIPTION

This 2-day Comprehensive Imaging Review Course is planned as a CME activity to prepare physicians seeking competency certification in or an in-depth review for the interventional pain physician or other staff in areas of fluoroscopic interpretation and radiation safety. This course will provide in-depth evaluation of the knowledge of the participants with extensive review of subject(s).

As part of this 2-day Review Course, we will provide you with the following: Syllabus with outlines of the lectures and accompanying questions, distributed at the meeting.

EDUCATIONAL OBJECTIVES

The 2-day intensive review course is intended to present interventional pain management specialists and other providers an in-depth review of multiple areas of interventional pain management including fluoroscopic interpretation and radiation safety, in order for participants to demonstrate skills for competency certification.

OUTCOME

Prepare physicians for competency certification and provide physicians and other healthcare professionals with an in-depth study of interventional pain management, including fluoroscopic interpretations and radiation safety so that patients are not exposed to unsafe levels of radiation, and they receive the most up-to-date diagnosis and treatment afforded in pain management.

ACCREDITATION STATEMENT

This course has received CME Credits and is a CME activity that has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the Joint Sponsorship of the Institute for Medical Studies and the American Society of Interventional Pain Physicians. The Institute for Medical Studies is accredited by the ACCME to provide continuing medical education for physicians.

AMERICANS WITH DISABILITIES ACT SCRIPTON

Americans with Disabilities Act & Special Services Organizers fully comply with the legal requirements of the Americans with Disabilities Act and the rules and regulations thereof. If any participant in these educational activities is in need of accommodations, please contact the organizers at (270) 554-9412 at least 10 days prior to each conference.

CATEGORY I CREDIT™

The Institute for Medical Studies will determine these educational activities for up to 14.75 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

ACCOMMODATIONS

HILTON MEMPHIS
939 Ridge Lake Blvd, Memphis TN
800.252.8758

The guest rooms at the Hilton Memphis are all spacious, and they include a large work desk. These are equipped with telephones, with modern data ports and voice messaging, and wireless high speed Internet access. **Inform the agent that you are booking for ASIPP. We have secured a group room rate of \$115. Reserve rooms early—all unbooked rooms will be released March 20, 2012.**

NO DUPLICATION OR DISTRIBUTION OF MATERIALS, OR RECORDING OF LECTURES ASSOCIATED. THERE IS NO COMMERCIAL SUPPORT FOR THIS COURSE.
